Relevant Experience

Frontend Developer Intern, **GPRS Innovation**

April 2022 - September 2022

Helped deliver high-quality, productive code for a diverse array of projects for clients. Also taught over 10 students the basics of frontend web development, helping them to understand HTML, CSS & JavaScript.

Graphics Designer, **Fix Impressions**

February 2023 - November 2023

Participated in designing unique magazines, invitation cards, flyers and many more. Learned to use design tools like: corel draw, photoshop, adobe illustrator. I was also given the privilege to teach 2 new employees some of the tools used.

Education

Government Secondary School Kuje

September 2018 - June 2020

National Open University Of Nigeria

September 2023 - Present
